

HOW to ACCESS Pearson MyLab or Mastering in your Canvas Course

Your Pearson MyLab or Mastering assignments, eText and other learning resources are available to you immediately in your First Day Canvas course.

1. In Canvas MODULES, click on one of the MyLab or Mastering links:

2. You will see an End-User License Agreement and Privacy Policy. Read and scroll down. Click "I Accept" if you wish to proceed with access. You will need to do this only once.

3. You may continue to access the MyLab or Mastering resource you clicked to get started, or move on to anything else you are working on in your course. The next time you access any MyLab or Mastering link, you'll get right in.

Thank you for using Pearson MyLab or Mastering and best wishes for success in your course!
